

# THE INDIAN PUBLIC SCHOOL®

**KG TO GRADE 12**

**CBSE AND INTERNATIONAL CURRICULUM**

**Fulfilling  
dreams  
one at  
a time !!**

**THE INDIAN PUBLIC SCHOOL @ KARUR**

## MISSION

"To nurture inquiring, knowledgeable and caring young lifelong learners who are engaged citizens of our world through intercultural understanding and respect."

## PHILOSOPHY

At TIPS we embrace a child-centered philosophy that promotes creative thinking and lifelong learning. Our educators are dedicated to inspiring children to achieve the very highest standards in all their endeavors as they progress on their educational journey with us. Through partnerships with parents, we strive to make every academic dream a reality.

## A FINE BALANCE!

We strike the balance between the national curriculum and international approach, giving our students the best of both worlds. An uncompromising focus on academic rigour, complements our focus on the wholesome development of the child through the development of skills and their innate potential.

Opportunities for collaboration, discussion, application and experiential learning draws on the strength of the CBSE and International Curriculum, equipping students with the skills and knowledge tools they need to thrive and excel at school and beyond!

# WHY The Indian Public School (TIPS)?

A curriculum that blends rigour and skill with creativity and innovation, to make every child's dream a reality!

	CBSE	INTERNATIONAL
 <b>Class Strength</b>	25 to 30 students for personalized and collaborative learning experience.	18 to 20 students for hands on collaborative learning experience in the classroom.
 <b>Teacher Professional Development</b>	CBSE professional development programs along with In-School workshops	International professional development along with In-School PD opportunities
 <b>Qualitative Assessments</b>	A comprehensive assessment plan shaping teaching and to include variety of internal assessments.	A comprehensive backward by design assessment plan to shape teaching and learning today.
 <b>Resource World</b>	Access to media learning center with extensive resources available in the Wi-Fi enabled classrooms.	Abundance of classroom resources for research, inquiry and team learning, in the form of reference books, CDs, manipulative and experimental material, apart from media learning center resources.

## TIPS Advantage!

### Field Trips

4 to 6 trips in a year for each area of Inquiry for making learning relevant and significant in the real world.

### Sports Education Programme

Availability of a range of sporting pursuits like soccer, basketball, badminton, swimming, cricket, yoga, and track

### Visual and Performing Arts

Performing arts programme offers vocal music, instrumental music, western dance, classical dance, drama and theater.

### Career Guidance & Counselling

Career counselling department helps students discover their interests and assists the students to prepare for Indian as well as International universities.

### School Labs

Exclusive science laboratories for computers, physics, chemistry and biology provide requisite hands-on experience.

### STEM (Science Technology Engineering and Mathematics)

TIPS offers a unique curriculum that helps students 'connect the dots' between what they learn in their traditional math and science classes and their 'hands-on' learning with robots.

### Transport

From your door to our door. Safe and efficient transport between home and school in air-conditioned new generation vehicles.

### School Canteen

Multicultural menus for a diverse community.

### Student Safety & Medical Facilities

The school has modern medical facilities supported by qualified medical staff.

# CBSE @ The Indian Public School Karur

The CBSE programme at TIPS is based on strong academic roots.

## AREAS OF LEARNING

### PreKG – UKG:

The focus in the early years is on the overall development of the child through the following approach:

- Exploring through discovery
- Acquiring emotional independence
- Developing transdisciplinary skills
- Introduction to listening, speaking, reading, writing and enjoying calculations

### GRADE 1-5:

The focus is on exploring through learning by promoting creative and critical thinking, research, use of technology and formal learning of the subjects-

- English
- 2nd Language (Tamil)
- 3rd Language (Hindi)
- Environmental Science (EVS)
- Mathematics
- Information and Communication Technology (ICT)

### GRADE 6-10:

The child is encouraged to explore further while focusing on the formal learning of languages, mathematics and sciences along with our Indian history and culture. The subject offered are

- English
- Science (Physics, Chemistry, Biology)
- Social Studies (History, Civics, Geography)
- Mathematics
- Information and Communication Technology (ICT)

LANGUAGES OFFERED	Grade 6	Grade 7 & 8	Grade 9 & 10
